A crescent shaped shawl/scarf knitted from small to larger amounts of leftover yarn. Knitted in garter stitch, using short-rows, you will end up with a finished size of around 95" (250 cm) wingspan and 12" (30 cm) at the center.

## Materials:

4-ply/fingering weight yarn  
Five different colors

C1 (dark green) = 35 g  
C2 (turquoise) = 7 g  
C3 (gradient yarn,  
green-blue-purple) = 44 g  
C4 (blue) = 50 g  
C5 (light green) = 15 g

US size #3 (3,25 mm), 32-inch circular needles (or longer, if preferred), gauge is not crucial for this project.
