

## „The 3way Sock decoy“

A crow decoy that's cheap, durable and versatile!

...so we are going to do some DIY!

### What do we need?

1 Crow decoy – no flock, 1 black sock, 1 plastic tube, diameter 1inch (cable tunnel tube), 1 Plastic cap for the tube, 25-30cm threaded rod, 1 Roundhead nut (4mm), 2 Disc washers, diameter less than 1 inch, a couple of Screw Nuts (4mm) to go above and below the discs, Black insulation tape, some spray paint

Tools: 1" circle drill, 10mm Wood drill, Pencil, Knife
