ASTON MARTIN

**Nürburgring Driving
Academy**

The Aston Martin Driving Academy offers innovative and unique driving experiences, from handling and safety programs up to motorracing events. Innovative and unique driving experiences – from the street to the race track.

Become a part of the Aston Martin Driving Academy Community:

HANDLING & SAFETY

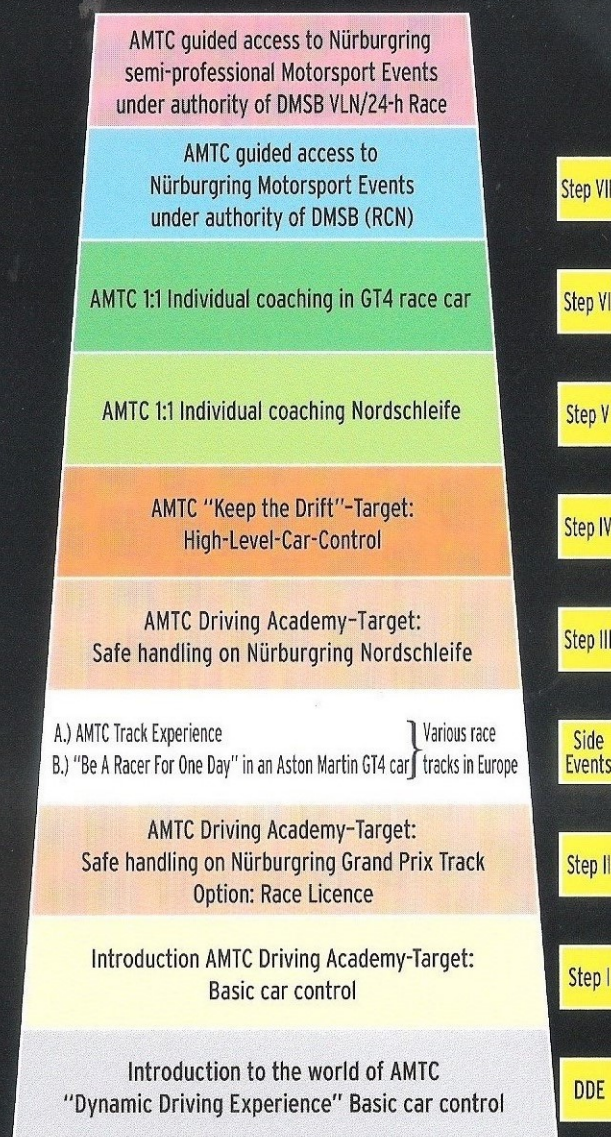

Important knowledge of driving dynamics and safe handling on the road and race track.

NEW TO MOTORSPORT

Experience the power and the advantages of an Aston Martin race car on the race track.

MOTORSPORT

Become a member of the AMR Performance Centre Racing Team. We offer you participations in the Rundstrecken-Challenge-Nürburgring (RCN), Endurance Championship Nürburgring (VLN) and the 24h Nürburgring race.

Our 7 Step Programme

The program can be customized according to your driving experience, so that you can finally drive a race in RCN or VLN.

"A TOUCH OF SUMMER"

We are delighted to announce a great possibility to shorten the long grey winter period. Our racecars await you in Spain and Portugal. 4 racetracks and 3 racecars await you in:

Circuito Ascari, the most luxurious and prestigious race track in Europe. Spain's longest track, length 5,4 km and 16 turns. Marbella and the famous Costa del Sol are just 45 minutes away.

Circuito Monteblando with fast turns, technical combinations and fast sections, everything an international race track needs. Only 50 km to drive to reach beautiful Sevilla.

Autódromo Internacional do Algarve (Portimao) is a hills and valleys course, fast and blind turns make this race track a great challenge. The spectacular region of the Algarve is a worth a visit.
